§ 1.958 Defective applications.

(a) Applications will be considered defective if:

(1) The applicant is disqualified by statute.

(2) The proposed use or purpose of the station applied for would be unlawful.

(3) The frequency applied for is not allocated to the service proposed.

(4) The application form is not signed in accordance with § 1.913 of these rules.

(5) The application is not complete with respect to answers, supplementary statements, execution or other matters of a formal character.

(6) The application is not in accordance with the Commission's rules or requirements and is not accompanied either by (i) a petition to amend any rule or regulation with which the application is in conflict, or (ii) a request by the applicant for waiver of any rule or requirement with which the application is in conflict. A request for rule amendment or waiver must show the nature of the amendment or waiver requested and set forth the reasons in support of it. Requests for waiver must state the nature of the waiver or exception desired and set forth reasons in

support thereof including a showing that unique circumstances are involved and that there is no reasonable alternative solution within existing rules.

(7) The applicant is requested by the Commission to file any additional documents or information not included in the prescribed form and the applicant fails to comply with the Commission's request.

(b) An application which is defective on its face will not be accepted for filing and will be dismissed.

(c) An application which is accepted for filing, but which is later determined to be defective, will be dismissed.
